

A Prayer for Children to protect them from circumcision.

Heavenly Father,

*You create each one of us perfect in your eyes.
Thank you that we are fearfully and wonderfully made.
Today we ask for your help in changing hearts and minds
to respect the natural beauty of all your children.*

*May the hearts of those who would harm defenseless children
by the painful acts of circumcision soften and change.
Restore respect for bodily integrity in our world,
and may all children be loved with an unconditional love.*

*Loving God, we ask you to place your protection around
all little boys and girls at risk of circumcision.
Send your angels to watch over them and guard them.
Father, we ask this in Jesus' name.*

Amen
